

Amen, Gantner & Capriano

Your Estate Matters, L.L.C

Estate Planning and Elder Law Attorneys

If you are ready to plan for whatever the future may bring, start by answering the following questions. When answering below, name three levels of people, just in case some are unavailable or circumstances change. Circle the answers which resonate with you the most.

If you are married and become incapacitated, will your spouse always serve in the first position to make your decisions? *YES or NO*

If you have minor children, which individuals would you trust to take care of your minor children, if you can't care for them or are deceased? *N/A*

- 1.
- 2.
- 3.

Who should oversee and manage the money you've left your children until they reach the designated age? *N/A*

- 1.
- 2.
- 3.

How old should your minor children be before they handle money you've left them, if you're deceased? (The money can be accessed by your trustee for your children's needs until they take over at the designated age.)

Which individuals would you trust to handle your finances should you become disabled?

- 1.
- 2.
- 3.

Which individuals would be best to speak to your doctors and handle your major medical decisions?

- 1.
- 2.
- 3.

Which individuals would handle your estate and pay your final bills and expenses at your death?

- 1.
- 2.
- 3.

Your family's future may not yet be protected. Contact our offices to put a comprehensive estate plan in place today.
